Central Mass-

Central Mass Area of NA always meets every first Monday of the month unless on a Holiday then the meeting is the following Monday at 6:30 pm. At People's Church on Greendale Ave in Worcester.

The meeting opened up with a moment of silence followed by the serenity Prayer. The reading of the 12 traditions of NA the 12 Concepts of NA service and the reading of a vision of NA service. New GSRs were welcomed in and were kindly sat by an experienced member to follow along as they moved on in the meeting. 16 GSR in September and 14 in October including hybrid. All elected trusted servants and subcommittee chairs were present. The attendance sheet with all GSR and subcommittee contacts that were present is always signed. There are 42 active groups in the CMANA.

Group Announcements are as follows SOLO POR HOY meeting in Spanish of NA meets every Tuesday at 7 pm at every day Miracle on Pleasant Street in Worcester. Also 91 Main St. In Worcester in Need of Addict Support. (Prichard st. In Fitchburg on Saturday night at 7 pm in Need of Addict support and Friday night at Littleton last door on the left meeting at 7pm. A Halloween dance on October 26 from 6 pm to 12 am FOOD, FUN, FELLOWSHIPPING, Costume Prizes, and a great DJ. Everyone Welcomed. 44 Temple St. In St. Johns Church in Worcester.

The H&I subcommittee has their monthly meeting on the third Sunday of the month at 44 Temple Street at 6 pm. All panel leaders were present and a wonderful workshop and ice cream event was given at the Spur of the Moment campout in September. All commitments have been filled and literature filled in all facilities were commitments are held.

PR has purchased new racks and a new Table Cloth and they are doing an event in the spring and a flyer hanging day will be held date is still pending.

Phoneline is eager and anxious to get more phone calls . Stated that there was only one phone call this month and last 1 phone call also. He is very grateful to alland that have helped him commence this position.

Website has the plug-in off the daily SPAD and JFT and a recent survey on exactly which IDT they want to workshop on. It looks like Disruptive behaviors in meetings is in

the winning role and an addict in recovery favorite. Mentorship IDT made over 10 years ago, was mentioned due to the dire need of experienced members stepping up and help newer members to find service attractive and form groups to help mentor and get to know different service positions.

Treasurer stated that the donation check was mailed on Wednesday it should have reached the NERNA by now and the amount was larger than the amount written in this report. a new CASHAPP is up and running for CMANA to contribute the the Area when they are unable to send their GSR in person. The cash app does work we tried it ourselves the past month. All is good in that are and a donation of 200 was made to area. We are still looking of ways to get more donations and raising funds so we can donate more. We still have money set aside for to NESSNA delegates to go to Philadelphia. Money motions were passed.

A new Outreach Team has been formed and is already going to different groups and making Area look more attractive so that more GSR will Participate and also be included in exactly where their monies go when they contribute to the Area. Also, Literatiure can be given to them as starter kits and etc. We are trying to look into the needs that all the groups in the CMANA may be experiencing.

All positions in the CMANA have been filled exempt assistant secretary and assistant treasurer and alternate RCM . Our Vice Chair steps in and helps open positions or subcommittees that may be in need of assistance.

No Area concerns that were in need of support and concerns to bring to the NERNA service body.

Requested that any Area questions or group needs to please contact me at ttirado34@gmail.com I would be happy to answer. What i can not answer i will ask for help from another experienced NA cmana Area service member.

Thank you for allowing me to serve and be a part of this life-saving fellowship and NERNA region.

With Grace and Gratitude,
Teri T*

Metro West-

10/13/2024- Metro West Area Alternate RCM Report

The Area meeting on 10/01/2024 began with a moment of silence, followed by a reading from Tradition Ten in Guiding Principles. A total of 11 out of 20 groups were represented.

H&I Committee, Met on 9/30/2024. There are currently 9 commitments in 4 facilities:

- Issues- Two no-shows at McLean (one due to a medical emergency) prompted a warning that further incidents may end Metro West's commitments. Arbor HRI faces challenges due to minimal patient participation and lack of facility support.
- Old Business: Neon fliers promoting H&I participation were distributed (see attached). A 3-month hybrid subcommittee meeting trial will begin to boost participation, and dos and don'ts will now be reviewed quarterly. H&I proposed reducing McLean commitments and possibly ending Arbor HRI due to ongoing difficulties.

PR Committee, Met on 10/13/2024:

- Fliers were printed, and tape was ordered for the poster-hanging day. Regional booth hosted at the Cape Cod Symposium.
- Discussed leaving NA business cards at the Brookline Police Department front desk. Focus of PR Committee is shifting to public service announcements in the Metro West Area, especially within MBTA spaces, and research is underway on how to implement this. Flier day is scheduled for 10/26/2024 at Porter Square Panera.

Treasurer's Report:

- Total contributions: \$646.60, with \$1,269.11 balance. Balance rolled over.
- A new group in Franklin, MA, donated to the Area, and members discussed ways to support this new group.

Other Business:

- In response to Fellowship Development's inquiry about how they can assist our Area, would it be possible for Fellowship Development to attend a Public Relations subcommittee meeting to provide support and share their experience with our newly revitalized subcommittee? Additionally, could they offer workshops or suggest ideas on how we can grow and strengthen our community?
- A proposal from the How it Works Group was delivered to submit a Metro West Area Service Committee Concern to NERSC regarding travel spending. The proposal suggests reallocating funds toward local fellowship development and recovery initiatives, in alignment with NA's Fifth Tradition and Eleventh Concept. This proposal initiated a discussion and was tabled for next month's ASC meeting
- A new meeting will be held in Waltham on Mondays from 7:30-8:30, starting on 11/04/2024.

Next Metro West ASC:

- Tuesday, 11/05/2024, 7 PM Brookline Public Safety Building 350 Washington St, Brookline, MA 02445 (Hybrid Meeting option available)

A member asked what it is they were looking for from FD. They will discuss this with FD at lunch.

Marthas Vineyard-

Five out of seven of the Martha's Vineyard area meetings are running fine. Two are struggling with carrying a clear NA message. Members are currently reaching out from within the area and outside for assistance. There is no request for the body's help at this time.

A member asked what it is they were looking for from FD. They will discuss this with FD at lunch.

North East Mass-

Happy Spooky season NERNA fam!

The North East Mass Area is now meeting hybrid! We meet the last Sunday of the month at 344 Cambridge Street in Burlington and on zoom. Still trying to work out a few technical kinks, but so far things are looking good and attendance is thriving!

In June we held elections.

We still have an adhoc from our planning session last February led by Michelle C. The adhoc has been visiting various meetings in the area who have not had a GSR attend the ASC in some time. They explain what the ASC is and offer assistance.

A motion went out to groups in July to have the NEMACNA VII committee audited with an amendment that the whole ASC was to be audited back til 2018. The motion passed. The ASC treasurer is currently looking for a CPA to conduct the audit. In the meantime, the convention committee has decided to put a hold on all fundraising.

The Policy Subcommittee meets the 2nd Sunday of the month at 10am. Policy has been vacant for a year and so far the new chair, along with several other members, is becoming familiar with the policy and getting technically set up with a gmail, drive, and format. The will be going through the policy to strenghten the ASC.

The Vice Chair has made us a free website that he updated with all past minutes as well as current meeting list and flyers. <http://northeastmaareana.company.site>

NEMa currently has 52 meetings. In August we had 18 GSR's in attendance and in September we had 15 GSR's.

The Activities Committee has a sponsorship brunch planned for October 12. And the Activities Committee paired with H&I to put on a H&I learning Day event with refreshments and a dance on November 17. I will attach both flyers.

Currently the Area is holding on to 2,742.74 so we are able to complete our audit and did send a donation to the region this month. Some of those funds are from our vacant subcommittees.

There are two motions going back to groups. The first is to change the policy to include that the area treasurer be on all bank accounts that are associated with the NEMA EIN. The second is to add a Technology Accessibility chair to help navigate the zoom during our hybrid ASC.

We are looking forward to hosting the region in October.

I appreciate all the guidance and support from the region as I have transitioned into some new roles within the area.

Our next ASC will be:

South East Mass-

Good afternoon NERNA,

SEMA has met two times since our last RSC. We are happy to report we are standing steady at around 50% GSR attendance for six months in a row. Our current open positions are Alt RCM, Alt Treasurer, a PR subcommittee Chair.

In finance we have an ending balance of \$787.11.

We found that our December ASC meeting date was in conflict with several other events planned for the area and region, primarily the NERSC, the body elected to hold the December 2024 ASC on Sunday December 22, 2024. We have updated our policy to to include the Chair, vice-chair, secretary, and Treasure being listed on our annual Form PC tax filing paperwork to ensure we maintain our maintain our registration with a state of Massachusetts as a non-profit organization

There has been robust discussion around our election calendar and how the present election schedule is serving our needs as an area. We heard pros and cons of changing it to holding all area elections in the same month every year and elected to send this topic back to groups for more feedback before a motion was ut in to make any changes to our policy.

Fellowship Services have created an environmental scan survey to begin the strategic planning process. We are hoping to have all the responses in before the November ASC.

The convention committee has selected “Lost Dreams Awaken” as the theme for the MACNA II.

Our next meeting is October 20th, 2024.

ILS,

Coralee D.

- Both the event mentioned above as well as the giving thanks marathon (Thursday November 28th) meeting's flyers were approved at area and will be uploaded online

RSC Vice Chair Report

Greetings RSC. Happy to see everyone in person. Last month in September I was able to attend an off scheduled Policy meeting, but was not able to attend the Policy meeting yesterday. We discussed and put some proposed language together to better describe the Consensus Based Decision making Process. I am looking forward to further discussion on that process continue to improve it.

As a reminder, we are still working on format standards to review agenda and level set with new members at the beginning of the meeting. As always, I welcome feedback on that.

In loving service,

RSC Vice-Chair

Secretary-

Good afternoon Nerna,

I have been working on some organization of our drive the last two months and I am really hoping to focus on that more in the next coming months as I prepare to mentor the alternate for transition into this position. My goal is to have it neatly organized before I fulfill my position to make it more user friendly moving forward.

I still received multiple reports late and multiple reports as attachments. I would like to remind everyone that per the last RSC there is a hard cut off of 6pm to have your reports in and they should be in the body of the email not an attachment. Thank you for all your continued support in this newly developed process.

BOD-

I am unable to attend the October RSC weekend due to travel to WSLD/vacation. The BOD has not met formally since the last RSC, however review of NERC XX committee contracts has been done virtually.

The updated hotel contract with the Sturbridge Host Hotel has been signed. The tax return for FY 2022-2023 was submitted by our accountant after she was contacted and paid. She had been trying to contact the Corporation for some time but was unable. After filing Form 990-EZ, we received a penalty letter in the amount of \$380. This was paid and Form 843 Claim for Refund and Request for Abatement has been filed, requesting refund of some/all of the penalty money. We have not heard back from them yet. Due to missing bank statements for the closed Citizens' account, the tax return for 2023-2024 has not been submitted. I have sent a letter to Citizens corporate office requesting them, since multiple other attempts at obtaining the statements have gone unanswered. We will owe the accountant for the FY 2023-2024 taxes. She sent a request for extension, and it has been approved with those taxes now due March 15, 2025.

I completed the 3 hours of QuickBooks training previously approved by and paid for by NERCC/NERC XX. QuickBooks information has tentatively reconciled pending receipt of the Citizens statement.

Reimbursement was provided for a QuickBooks course of \$329, Form PC for 2023 was filed with the

Commonwealth of Massachusetts, and checks and binder for the new TD Bank account were ordered and received. The NERC XX secretary, who is not a signer on the bank account will be holding the checkbook. We purchased a total of 600 checks and have requested the NERSC Finance Committee hold 500 of them. Filings with the Secretary of State are up to date. Massachusetts sales tax is filed annually and is up to date as well. We will need proof of insurance for the convention. If the RSC could point us in the right direction to obtain this, we would appreciate it. Open positions: Clerk, Treasurer, and 3 Board of Directors. Account Balance: \$ 8,715.43 (check for Steel Entertainments is outstanding--\$500.00) Corporation Balance: \$3,293.03 NERC XX Balance: \$ 5,422.40 Newcomer Donations Held Aside: \$45.00 NERC XX Working Balance: \$ 5,377.40 Our next meeting will be prior to the November NERC XX meeting. Thank you all for your patience and support in the last months. Brenda V. NERCC BOD President

Interim World Service Conference (virtual) 2/28-3/1/25

At the World Service Conference (WSC) in 2023 a motion was passed to move to a three-year conference cycle for two cycles as a trial. There will be an in-person conference in 2026 and 2029. As part of that motion was the addition of an Interim Virtual conference in the middle of each cycle to take care of necessary/legal business such as the budget and other “housekeeping” issues. The upcoming virtual conference will be held in just about four months over two days on February 28th and March 1st with two sessions each day from 11:00-1:00 and 2:00-4:00 Pacific Time. The interim Conference Agenda Report/Conference Approval Track (CAR/CAT) will be released on November 28th, 2024.

At our Conference Participants (CP) call on September 21st the items to be decided at the interim WSC were discussed. The first items will be the approval of the WSC 2023

minutes as well as approval of the budget for 2025-2026 and the extension of the reimbursement policy through the end of the cycle.

The proposals put forward by the World Board (WB) will include the following:

-Related to Amendments to motions as currently outlined in the Guide to World Services of Narcotics Anonymous (GWSNA)- Adopt them for one conference cycle on a trial basis

-All candidates for World Service positions elected at the conference go through the Region/Board/Zone (RBZ) process. At the same time repurposing the world pool.

-Utilize the CAR survey for all literature and service material projects

-If 80% consensus is received in an initial straw poll that would be taken as a decision without any discussion.

We will be having another CP call on December 7th where these items will be explained further.

ALTERNATE DELEGATE REPORT

SOME NUMBERS - After WCNA

We understand that it has been sometime since there has been a full financial report. Unfortunately, there will continue to be a slight delay. Until all of the numbers are in from sales, merchandise, vendors, etc. we will not be able to give accurate final numbers as to the financial standing of the World Convention. However, although we took a loss with the WCNA, Anthony did say as of the CP call we had 6.88 million dollars (excluding Iran) and does not believe that after paying all the bills from WCNA we will deplete our cash reserves. The WSC (World Service Conference) had consensus to suspend the WCNA rotation policy in 2023. That means nothing is certain about the future of the world convention. Once the figures from WCNA are finalized we will figure out what is best moving on. As we say - More will be revealed.

When we share...

H&I-

H&I (Hospitals and Institutions) met on 10/12/2024 at 11:30am in Lynn, Ma and also on zoom. There were six areas in attendance:

- South Eastern: Ma Justin M.
- Central Ma: John D.
- Boston: Will S.
- Cape Cod: Bobby J.
- Greater Providence: Mike M.
- South Shore: J.R.

The subcommittee discussed how to handle panel leaders that don't come to subcommittee meetings or check in with coordinators. The general consensus is to try to encourage the panel leader to at least check in with the coordinator regularly.

We also discussed how to handle facilities that only want male or female panel leaders/speakers when there is a transgender NA member that wants to hold a

committee or go on a commitment at a facility. The general consensus is that the subcommittee should follow the guidelines set in place by the facilities themselves.

Writing Steps For Recovery is moving right along. At the November WSR meeting, we will be discussing starting a separate WSR subcommittee. We have learned that, in many other regions, WSR is its own standing subcommittee and is much too much for one person to handle on their own. Maryanne has reported that she has members interested in serving on a WSR subcommittee. The next WSR meeting will be on November 18, 2024 at 6:30pm via zoom.

The subcommittee has asked me to ask Region if H&I can utilize the Region zoom on Saturdays on the in-person months. This is because H&I is hybrid during in-person months and my zoom only gives us 40 minutes at a time and then it shuts down.

Also, the East Coast Convention has reached out to me to send me more Basic Texts. They are being mailed to me. When I get them, I will be distributing them amongst the areas to go to the correctional facilities.

North Eastern Ma Area H&I is holding a learning day on November 16, 2024 from 12pm-5pm. I have included the flyer with this report.

PR Topic Presentation: "Using our last names in PR service" 15 minutes w intro presented by Lauren. Lots of interest and useful info for all of us. Bottom line – there is no black & white guideline or rule.. the pros and cons of each PR scenario should be looked at, and then a thoughtful consideration made.

Completed events:

- Cape Cod ASC 8/14: 3 of us delivered on this request for PR info and how to re-start their committee. Great success, with 3 Cape Cod NA members getting involved w PR.

- 2) **Helpline 11pm-7am shift: We have filled this position today. We will now have 24/7 addict coverage.**
- 3) **Supplying Regional PR materials to member Areas: Historically Regional PR has utilized its literature and supplies when covering Area PR events which an Area could not cover due to no committee or no support. But otherwise we (PR) do not provide ongoing literature supplies to Areas.**
- 4) **Book giveaways at PR events: George S will write up guidelines on this. i.e. what to consider. Clarity needed for those covering booth events**
- 5) **Does NER Convention have a slot for us? George S to request a PR slot**
- 6) **Discussion on idea of the possibility of a 1-day region, Subs and main body all on Saturday ! No solid yes consensus, but agreement that there's a lot of difficulties to make this happen**

NERNA FD October 2024 Report

10/12/2024

Meeting began at 1:15 pm and ended at 2:20pm

Meeting was facilitated by James P. (Chair)

Opening – moment of silence followed by the serenity prayer and A Vision for NA Service

8 (eight) addicts in attendance. 7 on location and 1 via zoom.

Introductions: James P. (chair), Noel D. (vice-chair), Jim D. (RD), D'Lanor H. (AD), Coralee D. (member at large), Bill H. (member at large), Michele B. (member at large), Jonathan s. (secretary)

Areas represented: SEMA, CMA, MVA

Reports:

Chair report (James P.): Greetings N.E. Fellowship Development! Since our last meeting I traveled to South Shore Area's Chili/Chowder cookoff event and presented an overview of regional FD and answered questions. I have also attended all NESSNA planning meetings. I have asked D'Lanor for help in preparing the Orientation for the RSC tomorrow. Jonathan, and Noel and I collaborated to prepare for this meeting. Thank you to all of your assistance.

Vice Chair report (Noel D.): What form of technology are we / should we be using? Many different apps etc. How do we discern this?

Does slack still serve us?

Do we need to hold a training / learning day at Region in the future to use Slack?

Info needs to update on the website.

Why does FD meet at 12:30 - should we go back to 11am?

Secretary's report (Jonathan S.): minutes were taken and sent out in a timely manner. Notes will be given to the Chair to create a report in time for the RSC.

NESSNA Liaison report (Jim D.): Going along as scheduled. A theme "Our Fellowship, Our Responsibility" and a logo were selected. A budget has been approved and a registration cost of \$35 was determined to be appropriate however the virtual registration may differ. Programming is coming along nicely. Next meeting will be 11/03/2024 at 9am. A meeting will be held 10/17 7:05 pm est to go over payment provider(s).

NEZF FD Liaison report (Jaime V.): New regions have joined NEZF and FD has been welcoming them in, however there is a discrepancy as to who should be doing this (per steering) 13 members attended the last NEZF FD meeting. A couple of service request forms were submitted and have already been delegated to members to fulfill.

Project Updates (various):

NESSNA Funding: *We are still wrestling with the money around NESSNA. It is now a subcommittee of NEZF but we don't have policy regarding the money spent and seed money. A suggestion of doing something similar to what NERSC does with the NERNA Convention.*

Discussion about Area's and Region working with each other in funding members to attend.

\$1,795 currently with a projected \$4,000 set aside at NERSC at the time of this report.

Regional Orientation:

- Module has been created and reviewed and will be implemented. Thank you to D'Lanor for helping in its development. The intent is to give a basic overview to new and/or interested RCMs and members with the RSC as well as a primer on Robert's Rules and CBDM as well as the BOD/convention corporation.
- The plan is to be available prior to the RSC meeting as well as during the lunch break.

Ad Hoc – For Central Mass Area Inventory –

We received 18 responses at the time of the October CMASC meeting and decided to extend it to November so that more responses could be included with a plan to present the results at the December ASC meeting.

Scheduling Strategic Planning for NERSC – Bill / Jaime: Asking the RSC what they want as it is unclear at this point in time. The members assigned are willing once that has been decided by the NERSC.

Environmental Scan Summary:

Virtual / Inperson - Most areas are mostly (85%) to half in-person.

GSR representation : 30-44% of meetings send GSRs to Area (35% avg)

2-3 average number of open trusted servant positions

Top Issues: Low participation in Subcommittees

*Area meets separately from committees and there is a disconnect
Outdated Policy*

Difficulty getting ASC meeting in person (currently virtual)

Attracting GSR to Area

Mentoring in Service

Creating a Regional Service Office

This was based upon responses from 7 of the member Areas.

RD or FD service requests:

Open Discussion / Area & Addict Concerns:

What form of technology are we / should we be using? Many different apps etc. How do we discern this? We use regional and area websites as well as slack, however there is a disconnect between what is posted in slack and what appears in reports and on the websites.

Does slack still serve us? Yes but not in the same manner as when it was adopted and implemented.

Do we need to hold a training / learning day at Region in the future to use Slack? Ask the RSC.

Info needs to update on the website. – Suggestion that D’Lanor update the Fellowship Development page with Noel in the loop with the intent that the Vice-chair will later maintain updating information.

Why does FD meet at 12:30 - should we go back to 11am? To allow for more participation.

D’Lanor has something to say: SEMA started their own Area inventory/Scan and is requesting that members from this body facilitate a strategic planning session for the ASC to allow for neutral facilitation as well as to improve the relationship between the Area and Region. Currently on track to meet either in February or April. They are starting with the NEZF strategic planning questions. They do have preferences on who will facilitate the planning session.

Additional Requests: None.

- The website is outdated, emphasizing the importance of an accurate website and the importance of having a regional vice-chair who understands and is capable in the event that the website chair position is vacant.

Meeting closed at pm with a moment of silence and the third step prayer

Thanks everyone for coming!

Next Meeting: 12:30pm on the NERSC zoom: Meeting ID: 916 0314 0581 Password:

 - Member suggested changing the report dates so instead of doing current month do previous two months
 - Slack channel created to put reports in
